

New Zealand Federation of Meccano Modellers Magazine New/Renewal Subscriptions

1st March 2021 to 28th February 2022

The NZFMM Magazine is the instrument by which New Zealand Meccano Clubs and Guild's disseminate group news, happenings, events, model plans, Meccano related and general news from around the world.

The Magazine is published four [4] times annually, generally around May, August, November, and February.

New Zealand based financial subscribers of the Magazine, automatically become members of the New Zealand Federation of Meccano Modellers.

The Magazine is available as a printed copy posted and/or as an emailed 'pdf' file to financial subscribers residing both within and outside of New Zealand on receipt of payment of the prescribed subscription rate listed below applying to their country/currency.

To secure your May 2021 copy of the Magazine, your subscription must be received by the 30th April 2021.
